

Note regarding rescheduling of the Training programme Hands-on Training on Total Station & Auto Level

The Civil Engineering Department planned to conduct the hands-on training program on "Hands on Training on Total Station & Auto Level" from 28-11-22 to 02-12-2022. Due to fewer participants, the training program has been rescheduled from 28-11-22 to 02-01-23. The training program will be from 02-01-2023 to 06-01-2023
