

Call for Papers

International Conference on Power, Environment and Intelligent Systems (PEIS-2026)

Conference date

**03 – 04 April,
2026**

About the Conference

The *International Conference on Power, Environment and Intelligent Systems (PEIS-2026)* will provide a premier platform for researchers, academicians, industry experts, and professionals worldwide to present their research contributions, share innovations, and foster collaborations. The conference emphasizes the synergy between **power systems, intelligent computation, devices, automation, and industrial collaboration**, thereby contributing to the development of next-generation technologies.

Full Scope of the Conference

- ✓ Track 1: Power and Energy
- ✓ Track 2: Drives & Automation
- ✓ Track 3: Devices and Communication
- ✓ Track 4: Systems and Modelling
- ✓ Track 5: Instrumentation and Measurements
- ✓ Track 6: Materials and Machines
- ✓ Track 7: Control Technologies
- ✓ Track 8: Process and Manufacturing
- ✓ Track 9: AI, ML and their Applications
- ✓ Track 10: Intelligent Computation and Networking

Paper Submission Guidelines

- Authors are invited to submit **original, unpublished research papers** not under review elsewhere.
- Paper length: Maximum **6 pages** (including figures, tables, and references).
- Papers not adhering to the template or page limit will be rejected without review.
- All papers will undergo **double-blind peer review** by experts in the relevant tracks.
- At least **one author must register and present** the paper at the conference.

Publication

- Accepted and presented papers will be published in the **Conference Proceedings with ISBN by reputed publishers**.
- Selected high-quality papers will be invited for **extended publication in reputed indexed journals**.

Organized by

Department of Electrical Engineering
Ghani Khan Choudhury Institute of Engineering
and Technology, Malda

Important Dates
